

SWIMSPA AMAZON

The Amazon is an impressive pool designed for practising sport combined with a hydrotherapy area that holds three people.

The hydromassage area is made up of one lounger and two seats that have been ergonomically designed to obtain the best possible comfort.

The bathing area comes with large stairs as well as 3 stainless steel rail for simple access.

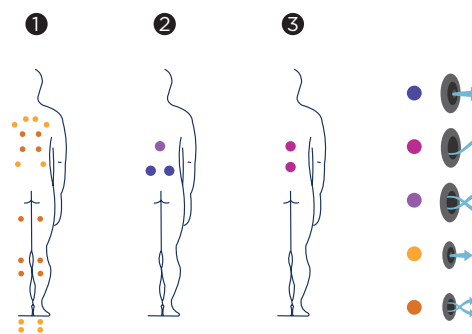

A water current generated by five turbojets enables swimmers to swim countercurrent and thus keep fit in their home spas.
