LIGHTING

Backyard envy: now available in every color.

ColorLogic® LED Lights

POOL, SPA AND BACKYARD LIGHTING

Total System: Pumps | Filters | Heating | Cleaners
Sanitization | Automation | **Lighting** | Safety | White Goods

Color every corner of your oasis.

**BRILLIANCE AND EFFICIENCY.
JUST TWO TRAITS THAT RUN IN
OUR LED LIGHTING FAMILY.**

ColorLogic® LED Pool, Spa and Backyard Lights are designed to illuminate nearly any new or existing pool or spa environment with vibrant color. Choose from 10 solid colors and 7 dynamic, color-changing light shows to compose the perfect theme for any occasion—from romantic evening to backyard bash. Plus, when integrated with a Hayward® Automation System, ColorLogic networked LED Lights expand to offer 101 colors and 11 light shows—all adjustable for speed, motion and brightness. Discover how Hayward's brilliant LED lighting family can transform any backyard environment into an oasis of color.

Brightness Universal ColorLogic Pool & Spa Lights are 100% brighter* than any other color LED light.

Energy Savings Universal ColorLogic Pool & Spa Lights save up to 86% on energy costs.

Low-Voltage ColorLogic Pool, Spa & Backyard Lights are low-voltage and UL-listed for safe wall and floor installation.

Performance ColorLogic Pool, Spa & Backyard Lights last 10 times longer than incandescent bulbs.

*Based on measured test data for pool and spa at time of print.

**PUT YOUR BACKYARD
IN THE SPOTLIGHT.**

Bringing your water and backyard features to life at night is easier than ever with ColorLogic 320 & 160 1.5-inch LED lights. Ideal for discreet pool and spa lighting, or highlighting steps, jets, bubblers, baja shelves, fountains, landscaping and more, these versatile lights work with Universal ColorLogic to lend total color coordination to any environment. Available in two brightness levels, and able to be installed in wet or dry applications, ColorLogic 320 & 160 LED lights create a striking, expertly coordinated environment for all backyard occasions.
